

Prayer for Our Marriage

Lord God, you are our first lover.

without your love, nothing would ever be possible

everything would cease to exist

your will for us was to find in each other in this marriage,

the perfect life partner who would help us to do your will

as two lives coming together as one.

Help us to always love you first before the other,

so that we will have the strength to love our spouse as you love them;

to forgive as you forgive, as you love, and to be holy as you are holy.

As we live in your covenantal love, may we be energized

to become beacons of love for the world,

and to serve the community and reach out to those who need

to experience your loving presence in their lives.

May this be our shared mission as a Sacrament of your love.

With Christ at the heart of our marriage we make this prayer. Amen
