

## Specially for Love Circles

### What makes a good Dialogue Question?

Basically a good dialogue question aims to:

1. promote growth in intimacy in couple relationships
2. encourage awareness of feelings
3. encourage sharing of feelings lovingly

A good dialogue starts with a good question. For each question, couples must ask themselves :

- Does it encourage me to look deep into myself and surface my feelings?
- Does it encourage me to share something deep and vulnerable about myself?
- Does it promote growth in intimacy in my relationship with my spouse?
- Does it help me to reflect on our spousal relationship, situation and state of being?

Dialogue is a special time for ME couples to experience each other's feelings and to realise how much we are loved and to have confidence in ourselves and our spouse.
